HOW ADA MAKES CAMP POSSIBLE

Throughout the year, the Association raises funds through donations and local fundraising events. The generosity of donors allows the Association to offer every camper nationwide a significant reduction in Camp fees.

You can help support the American Diabetes Association's Camp program by donating to the Association or participating in one of our local fundraising events. Visit www.diabetes.org to learn more or call 888-DIABETES to get involved locally.

CARE AT CAMP

Our first priority is the physical and medical safety of your child while they enjoy a traditional camp experience. It is not perfecting blood sugar management. Our staff includes:

- Physicians, nurses, and other health care providers who provide round-the-clock medical supervision.
- Registered dietitians who plan meals and snacks, and manage all special dietary needs.
- Program staff trained to deliver fun, safe, and supervised recreational activities and sports.

- Counselors trained to recognize specific diabetes care needs and help kids adapt to the Camp environment.

The American Diabetes Association makes every attempt to accommodate medical and/or emotional needs of campers. However, if we can not meet your child's needs, the American Diabetes Association reserves the right to deny admission to Camp and we will refund your deposit.

The true cost for a camper to attend is \$1300, but families pay only \$675 per camper. Need help paying for camp? Financial assistance is available, excluding non-refundable deposit.
