**WE'RE HERE FOR YOU!**

Camp is one part of our commitment to families of children with diabetes. The American Diabetes Association involves families year-round through Family Resource Network.

To learn more, visit: [www.diabetes.org/families](http://www.diabetes.org/families) or [www.diabetes.org/planetD](http://www.diabetes.org/planetD)

**HOW ADA MAKES CAMP POSSIBLE**

Throughout the year, the Association raises funds through donations and local fundraising events. The generosity of donors allows the Association to offer every camper nationwide a significant reduction in Camp fees.

You can help support the American Diabetes Association's Camp program by donating to the ADA (Make checks payable to: American Diabetes Association N. IL Camps), or participating in one of our local fundraising events. Visit [www.diabetes.org](http://www.diabetes.org) to learn more or call 888-DIABETES to get involved locally.

**SPECIAL THANKS**

The American Diabetes Association, Northern IL Area is celebrating 60 years of our diabetes camp program. Thank You to the countless donors and volunteers who have made our programs possible for the thousands of campers who have enjoyed the opportunity to attend camp and benefited from their experience.

**REFUNDS**

Refunds are only available for campers who cancel in writing at least 60 days prior to the first day of Camp, or for campers who suffer illness or tragedy. The deposit will not be refunded. Complete refund information will be provided when you register for Camp.

## ABOUT ADA RESIDENTIAL CAMPS

The overnight camp programs for children and teens, combine a program of summer activities with a program of diabetes education and support. Both components challenge each camper to reach their maximum potential, both mentally and physically. The campers are actively involved in managing their diabetes. Goals for campers include improved self-esteem, taking responsibility for diabetes management and social adjustment in a new setting away from home.

The activities are planned for the interest and skill level of each age group and provide new and different experiences for campers each year. Nutrition activities, blood glucose monitoring and insulin administration are integrated into the camp program.

## ABOUT ADA DAY CAMPS

The day camp programs for children, ages 4 – 9 and their siblings, provide a great beginning camp experience. Since everyone can be deeply affected by the presence of diabetes in the family, a brother or sister of camper age is encouraged to attend. Children at the day camps participate in recreational activities while developing independence and confidence in caring for their diabetes. Diabetes education sessions teach campers about nutrition, exercise, insulin, highs and lows and blood sugar testing. Children are grouped by age and activities are supervised by trained certified health professionals and counselors.

Children are asked to bring a sack lunch each day. Snacks, milk, and water are provided. Information sessions with leaders in the field of diabetes will be hosted as "sharing time" for parents.

**WHEN/WHERE:** Camp Confidence - June 22-26, 2009

**HOURS:** Monday - Friday 9 a.m. to 3 p.m.

**PROGRAMS:** Camp Confidence Day Camp, 4-9 years  
Camp Discovery Day Camp, 4-9 years  
Camp Can-Do Day Camp, 4-9 years

<b>COST:</b>	Non-refundable Deposit	\$50
	Remaining Camp Fee	ADA Member - \$200 Non-Member - \$300
	Total Cost	ADA Member - \$250 Non-Member - \$350

The Camp fee includes medical supervision, snacks, American Diabetes Association Camp T-shirt, supervised program activities and most diabetes supplies.

The true cost for a camper to attend day camp is \$725 but families pay less than half that amount.

Need help paying for camp? Financial assistance is available, excluding non-refundable deposit.

## CARE AT CAMP

Our first priority is the physical and medical safety of your child while they enjoy a traditional camp experience. It is not perfecting blood sugar management. Our staff includes:

- Physicians, nurses and other health care providers who provide round-the-clock medical supervision.
- Registered dietitians who plan meals and snacks and manage all special dietary needs.
- Program staff trained to deliver fun, safe and supervised recreational activities and sports.
- Counselors trained to recognize specific diabetes care needs and help kids adapt to the Camp environment.

The American Diabetes Association makes every attempt to accommodate medical and/or emotional needs of campers. However, if we cannot meet your child's needs, the American Diabetes Association reserves the right to deny admission to Camp and we will refund your deposit.

## APPLYING FOR CAMP IS QUICK AND EASY!
