**PROGRAMS**

**Residential Camp**

**\$550, 8-17 years**

Rez camp is what most folks think of when summer camp is mentioned. Archery, canoeing, riflery, swimming, crafts, Camp Olympics and capture the flag are familiar activities on the program agenda. Some new ones you might not have heard of before include the flight simulator (AKA "Vomitron"), the "blob" aqua jump and the zipline! Rez camp is open to all campers.

**Teen Challenge**

**\$580, 14-17 years**

Looking for a little more adventure from your camp experience? Then Teen Challenge Camp is for you! Created especially with teens in mind! Camp activities are designed to promote leadership and team building with the intent of encouraging teens towards becoming mentors. Common activities include rock climbing, rappelling, bouldering, mountain biking, white water rafting, a ropes course, and more! Limited to 24 CAMPERS.

**Equestrian Camp (Girls Only)**

**\$680, 12-17 years**

Does your daughter love horses? If so, then this is the camp for her! Equestrian camp combines the fun of trail riding with the skill required for dressage, tack care, jumping, and horsemanship. CHA certified instructors work with campers throughout the week. The campers are also able to do many of the activities available to "rez" campers and conclude their week with their own horse show! Open to girls age 12-17. (limited to 12 spaces)

**WE'RE HERE FOR YOU!**

Camp is one part of our commitment to families of children with diabetes. The American Diabetes Association involves families year-round through Family Resource Network. ## ABOUT ADA CAMP COLORADO

The American Diabetes Association's Camp Colorado is held at beautiful Eagle Lake camp in the heart of Pike National Forest. Eagle Lake Camp is accredited by the American Camp Association. Only 9 miles outside of Woodland Park, CO and a short distance from Colorado Springs, Camp Colorado is an idyllic summer camp setting. We encourage each camper to learn something new about diabetes management but never force education. At Camp Colorado we believe that each camper will take something away that is specific to that camper's stage of development. And with three camp programs one is sure to excite even the pickiest camper!

What is camp all about - Empowered Adventure. This is the rally cry of ADA Camp Colorado. We provide one ADA-trained diabetes counselor for every four campers and then add an additional program counselor just to ensure a camptastically good time! Camp Colorado is a safe, non-intimidating place to expand your knowledge of diabetes while making new friends and creating experiences you'll be telling other people about for years to come. Meet new friends, have a blast and hopefully learn something special about yourself along the way. This is what Camp Colorado is all about!

## REFUNDS

Refunds are only available for campers who cancel in writing at least 60 days prior to the first day of Camp, or for campers who suffer illness or tragedy. The deposit will not be refunded. Complete refund information will be provided when you register for Camp.

## HOW ADA MAKES CAMP POSSIBLE

Throughout the year, the Association raises funds through donations and local fundraising events. The generosity of donors allows the Association to offer every camper nationwide a significant reduction in Camp fees.

You can help support the American Diabetes Association's Camp program by donating to the Association or participating in one of our local fundraising events.

Visit [www.diabetes.org](http://www.diabetes.org) to learn more or call 888-DIABETES to get involved locally.

The true cost for a camper to attend is \$1500, but families pay as little as \$550 per camper. Need help paying for camp? Financial assistance is available, excluding non-refundable deposit.

## CARE AT CAMP

Our first priority is the physical and medical safety of your child while they enjoy a traditional camp experience. It is not perfecting blood sugar management. Our staff includes:

- Physicians, nurses, and other health care providers who provide round-the-clock medical supervision.
- Registered dietitians who plan meals and snacks, and manage all special dietary needs.
- Program staff trained to deliver fun, safe and supervised recreational activities and sports.
- Counselors trained to recognize specific diabetes care needs and help kids adapt to the Camp environment.

The American Diabetes Association makes every attempt to accommodate medical and/or emotional needs of campers. However, if we can not meet your child's needs, the American Diabetes Association reserves the right to deny admission to Camp and we will refund your deposit.

## APPLYING FOR CAMP IS QUICK AND EASY!
