**CAMP PROGRAM**

**ADA Diabetes Camp**

Residential summer camp in Pennsylvania designed exclusively for children with diabetes ages 8-14.

**ADA Pioneer Camp Experience**

An integrated program within Diabetes Camp for teens ages 15 and 16. To enhance the camping experience, teens live in tents, cook over a campfire, and learn to live and dwell in the beautiful outdoors.

**HOW ADA MAKES CAMP POSSIBLE**

Throughout the year, the Association raises funds through donations and local fundraising events. The generosity of donors allows the Association to offer every camper nationwide a significant reduction in Camp fees.

You can help support the American Diabetes Association's Camp program by donating to the Association or participating in one of our local fundraising events. Visit [www.diabetes.org](http://www.diabetes.org) to learn more or call 888-DIABETES to get involved locally.

**REFUNDS**

Refunds are only available for campers who cancel in writing at least 60 days prior to the first day of Camp, or for campers who suffer illness or tragedy. The deposit will not be refunded. Complete refund information will be provided when you register for Camp.

## CARE AT CAMP

Our first priority is the physical and medical safety of your child while they enjoy a traditional camp experience. It is not perfecting blood sugar management. Our staff includes:

- Physicians, nurses, and other health care providers who provide round-the-clock medical supervision.
- Registered dietitians who plan meals and snacks, and manage all special dietary needs.
- Program staff trained to deliver fun, safe, and supervised recreational activities and sports.

- Counselors trained to recognize specific diabetes care needs and help kids adapt to the Camp environment.

The American Diabetes Association makes every attempt to accommodate medical and/or emotional needs of campers. However, if we can not meet your child's needs, the American Diabetes Association reserves the right to deny admission to Camp and we will refund your deposit.

The true cost for a camper to attend is \$950 but families pay only \$450 per camper. Need help paying for camp? Financial assistance is available, excluding non-refundable deposit.
