WE'RE HERE FOR YOU!

Camp is one part of our commitment to families of children with diabetes. The American Diabetes Association involves families year-round through Family Resource Network. To learn more, visit: www.diabetes.org/families or www.diabetes.org/planetD

HOW ADA MAKES CAMP POSSIBLE

Throughout the year, the Association raises funds through donations and local fundraising events. The generosity of donors allows the Association to offer every camper nationwide a significant reduction in Camp fees.

You can help support the American Diabetes Association's Camp program by donating to the Association or participating in one of our local fundraising events. Visit www.diabetes.org to learn more or call 888-DIABETES to get involved locally.

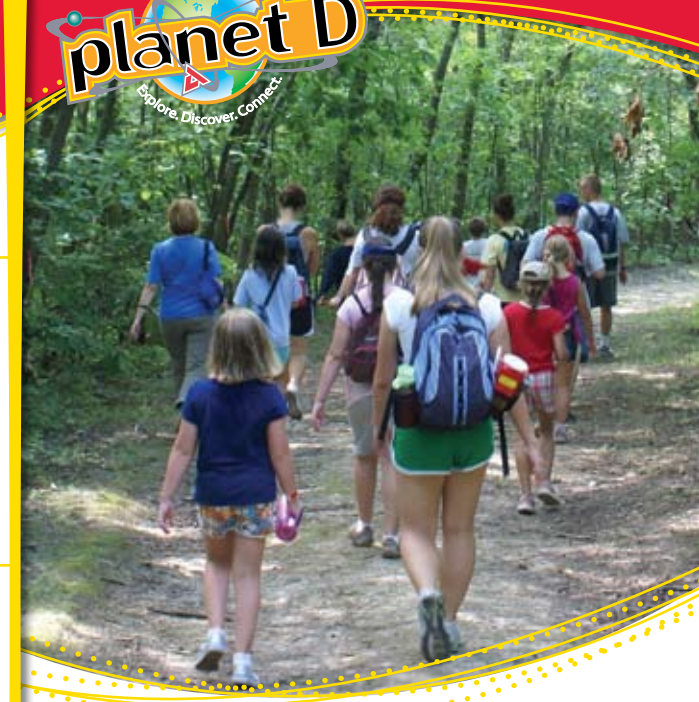

SPECIAL THANKS TO

The ADA Camp Planet D is brought to our community thanks to the generosity of supporters, sponsors and donors of the American Diabetes Association of Greater Kansas City. We give special thanks to the Mader Foundation for their extremely generous donation to the 2009 ADA Camp Planet D - Kansas City. A special thanks also goes to participants in the local American Diabetes Association events, including Tour de Cure, Hoops & Sneakers Gala, Bikers Against Diabetes (BAD) Ride and the American Diabetes Association Golf Challenge. We give special thanks to the Camp Family Teams who participated in Step Out: Walk to Fight Diabetes, which also supports the Camp Planet D experience.

It is especially important to thank Children's Mercy Hospitals and Clinics and their staff for their ongoing commitment and support.

CARE AT CAMP

Our first priority is the physical and medical safety of your child while they enjoy a traditional camp experience. It is not perfecting blood sugar management. Our staff includes:

- Physicians, nurses, and other health care providers who provide round-the-clock medical supervision.
- Registered dietitians who plan meals and snacks, and manage all special dietary needs.
- Program staff trained to deliver fun, safe, and supervised recreational activities and sports.
- Counselors trained to recognize specific diabetes care needs and help kids adapt to the Camp environment.

The American Diabetes Association makes every attempt to accommodate medical and/or emotional needs of campers. However, if we can not meet your child's needs, the American Diabetes Association reserves the right to deny admission to Camp and we will refund your deposit.

REFUNDS

Refunds are only available for campers who cancel in writing at least 60 days prior to the first day of Camp, or for campers who suffer illness or tragedy. The deposit will not be refunded. Complete refund information will be provided when you register for Camp.

The true cost for a camper to attend is \$900 but families pay as little as \$315 per camper.

Need help paying for camp? Financial assistance is available, excluding non-refundable deposit.
