## CARE AT CAMP

Our first priority is the physical and medical safety of your child while they enjoy a traditional camp experience. It is not perfecting blood sugar management. Our staff includes:

- Physicians, nurses, and other health care providers who provide medical supervision.
- Registered dietitians who plan snacks, and manage all special dietary needs.
- Program staff trained to deliver fun, safe, and supervised recreational activities and sports.

- Counselors trained to recognize specific diabetes care needs and help kids adapt to the Camp environment.

The American Diabetes Association makes every attempt to accommodate medical and/or emotional needs of campers. However, if we can not meet your child's needs, the American Diabetes Association reserves the right to deny admission to Camp and we will refund your deposit.

The true cost for a camper to attend is \$422, but families only pay between \$225 and \$250 per camper. Need help paying for camp? Financial assistance is available, excluding non-refundable deposit.
